Database

▲4
Database;
organize our
clients & their
requests

▲3
Front facing
database for
clients to see
what is available

More user-
friendly
reuse
website

Staffing

▲3
Ideas for Reuse
with smaller
staffing to reach
more folks.

▲2
Time!!
staff
volunteers

Training
staff on
repair

Grants and Funding

▲3
Additional funding
to support all the
things we want to
do

Grant
funding
for reuse

Inventory

Hospital
Beds

▲1
What kinds of items
are most common in
other states? DME,
tablets and
computers, and AAC
are on our radar

Space/Storage

Staff,
storage

Policy

Consumer
misuse

▲2
Receiving non-
usable DME and
how to guide the
community on what
we can receive

Insurance
using reuse
rather than
funding it
themselves

Data Tracking

▲1
Public listing tracking (ie:
Facebook)

Data tracking for
equipment
exchange sites that
are separate from
the equipment
reuse programs
